

DAFR8680 DETAIL ACCOUNT ACTIVITY BY FUND REPORT MODIFICATIONS

The following code will be in production on, Thursday, March 7, 2002.

The DAFR8680 Detail Account Activity by Fund Report has been modified. When the report was requested at the level of Agency General Ledger, a total line for Agency General Ledger printed, even if the Comptroller General Ledger account was not supported by an Agency General Ledger.

The code modification will suppress the Agency General Ledger account when there is a Comptroller General Ledger that does not have Agency General Ledger attached to it.
